Yesterday was Valentine's Day

"To be wise, and love, exceeds man's might."

"Love sought is good, but giv'n unsought is better."

"The course of true love never did run smooth."

William Shakespeare

From People Who Make a Difference

"You can tell a lot about a fellow's character by his way of eating jelly beans." Ronald Reagan, 1981

Have five (5) 2006 LIONS' brooms left, still in the wrapper and in mint condition. Going fast! Spring not far off. Call 909-3128.

Tired of Raking?

According to the LIONS' INSTITUTE OF USEFUL LIONS' BROOM USES, elderly LIONS' brooms make easy using as sweepers of leaves, especially where those stubborn ubiquitous pin oaks get way down in corners and crevices about the yard. Don't throw them away.

Historically Useless (Too Late)

Twenty years ago the Mocksville LIONS' Club had a CD of \$16,000. One year interest on four institutions in Mocksville was from 7.26 to 7.60 percent. In which institution did our CD rest in 1987? *Answer at bottom of Page 2.

Relevant Mocksville History: 1965

A quote from the Club Bulletin, October, 1965:

"We cannot operate the Club with only half work on our fund raising projects."

Super Supper, April 19th

The last we heard, the membership contest ends April 19th. That's when some eat well while others do not. There are two months left in the contest. Teams A and B are TIED!

Answer to **Sports'** question:

1. Boxing; 2. Baseball; 3. Base on balls; hit by a pitch; hit; catcher interference; fielder's choice; catcher drops ball on 3rd strike; fielder's error; passed ball

You All Don't Get It!

Most of you need to lose weight. Almost all of you who have diabetes must lose weight.

Here's how, (theoretically):

Omit 500 calories every day.

Exercise briskly at least 30 – 60 minutes every day – another 500 calories used up.

In 3½ - 7 days, weight loss could be a pound.

(Turnover of 3,500 calories is equivalent to one pound).

Just trying to help.

“Sugar” Diabetes

Four Meetings

One LION who has been a member for a long time and who has a “ton” of perfect attendance pins, says he can't remember us missing so many meetings. This is taken as a complaint. Others might be relieved this LION is not on the Board this year. He can't remember when he was not on the Board, but he attends all the Board Meetings anyway. Sometimes, I think, LIONS go to him at his shop to get his opinion and advice. I'm not one of them.

Anyway, new members, years ago, maybe more, I don't remember, decided to take a summer break so we eliminated one meeting in July. More recently, I think, it came about when we started selling fruit; we decided to omit the 2nd meeting in December.

We can't change the weather. We think icy and white precipitation follows our meeting schedule. We missed the second meeting in January and February because of what turned out to be more “threatening” than “happening”. The school system has the same problem.

I know that many years ago we had meetings regardless of the weather. People were more careful then. People were more reasonable then. We don't want anyone coming to our meetings getting hurt.

We will just have to work hard and catch up for WE SERVE.

Snow predicted for February 15th??!!

N.C. LIONS' STATE CONVENTION

MAY 31 – JUNE 3

This year the convention is in Asheville (a neat place). LION Demsie suggests a van, a bus or a caravan to carry a pride of Mocksville LIONS to the convention. This bunch will need a cage and a tamer! Sign up, Secretary has registration forms.

A LION'S PRAYER

God, thank you for the sight that has been restored. May we always be aware of the need for research in eye disorders, and may we keep funding for it on our fund raising agenda. Amen
