"Rockin' 'N' Rollin'"

That's what Nurse Mary Lou says of the diabetes and hypertension screening on February 23, 2007. Forty-two had blood sugars and pressures checked. A few previously unknown high glucose and pressures were found.

It is official now – A Storehouse for Jesus Medical Ministries and the Davie County branch of Healthy Carolinians will collaborate with the LIONS in this monthly service.

Thanks to:

Much Gratitude for:

Laboratory Technician, Joyce Prillaman, who has been the regular glucometer operator ever since we started screening about three years ago. She has been recruited to help in her husband's dental practice. Thank you, Joyce, VERY much.

Club History

In 1969 Mocksville LIONS Club profit at high school football and basketball games for 1968-1969 was \$2,000.00.

Annual door-to-door broom sales were conducted on April 25, 1969.

In the Club bulletin, March 1969, 22 committees were listed. We don't have 14 of those now. For instance, "Agriculture Committee."

Thanks to LION Spouse, Glenda Brown, who gave the bulletin to MAIN LINE. If LIONS have bulletins prior to 1999, MAIN LINE would like to have them.

Quotations for Meditation

"You can not always have happiness but you can always give happiness." - Anonymous

The Oscars

While reading the Sunday paper and watching TV instead of working on LIONS, as one person assumed others were doing, one observed that of the movie nominees for this and that, four were in theatres in Winston-Salem on the same night. So, what has that got to do with high sugar and fat consumption and low calorie utilization? One wonders how many times during the four hour extravaganza did the average viewer rise up, walk to the kitchen, and refill their snack plates, bowls, buckets, and tubs.

Anyway, it was sometimes a little funny (struggling) and often quite showy. Dresses seemed to be too small and the new tuxedo styles didn't hide much either. In the front seats I, Diabetes Mellitus, saw a lot of my finest work. Probably, the best line of the evening came from the host, "No one can fill a seat like an American." – Ellen DeGeneres.

Regards,
"Sugar" Diabetes
